

The Home Brewery Customer Loyalty Rewards Program

Customer Loyalty Reward Points are awarded to all online shoppers with an account at www.homebrewery.com.

Customers will earn one point for every dollar they spend on qualified merchandise. Points can then be redeemed for merchandise! **Don't have an account yet? Sign up [here!](#)**

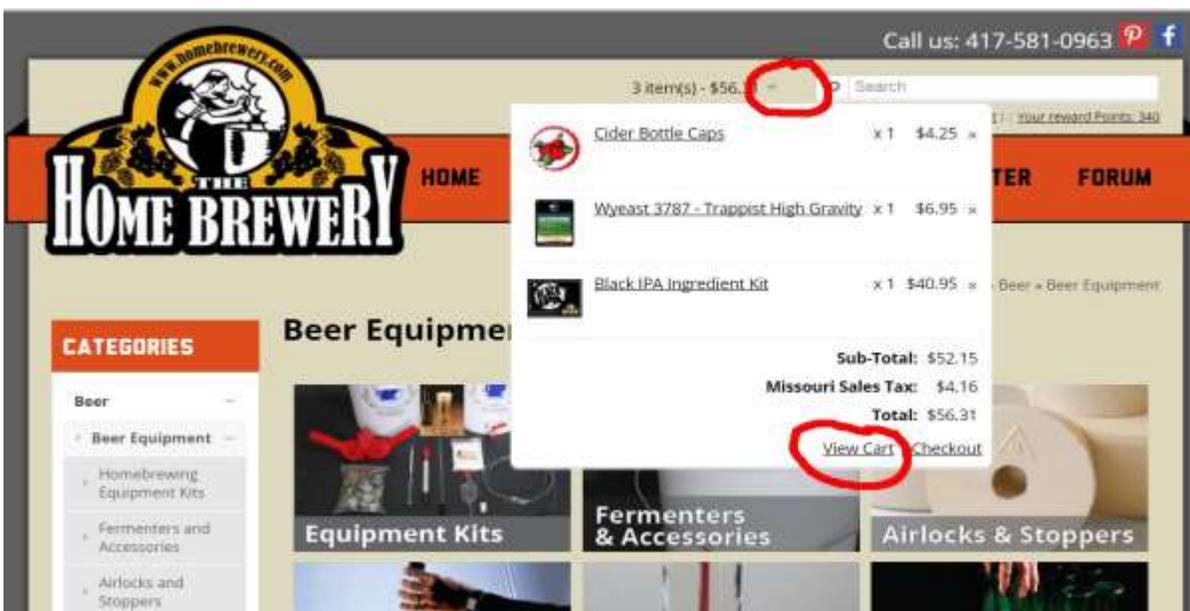

- You must have a minimum of 100 points collected before you are eligible for a reward.
- You can redeem from 100 – 500 points per order.
- 1 point equals \$.05 (ex: 100 points = \$5)
- Points can be redeemed for money off merchandise (Points cannot be used towards taxes or shipping)

How to redeem Reward Points online

1. Login to your account with your username and password. You can find Login links at both the top and the bottom of the screen.

2. Shop for merchandise and "Add to Cart". Once order is complete – Click "View Cart"

3. In your Shopping Cart – Click on the button next to “Redeem Reward Points”. This will display your available rewards points. Please note that your point total will only display if you have a minimum of 100 points accumulated.
4. Type in the amount of points you wish to redeem on this purchase (Minimum is 100, Maximum is 500). For Example: in the shopping cart below we see that the customer has 340 points. Each point is worth \$.05, so this customer can redeem 340 points for \$17.00 off their order!

- Online customers must create an account on homebrewery.com to earn and collect Loyalty Reward Points. If a customer chooses to check out as a guest – NO loyalty points will be earned for that transaction.
- Merchandise sub-total must be greater than or equal to the reward being redeemed. Merchandise sub-total is the merchandise price minus any sale or discount.
- Customers will not earn reward points when purchasing a gift card. The points will be earned when the customer uses a gift card to purchase merchandise.
- You can see your reward history and check your reward point balance at any time using this link to [“My Account”](#).
